## BRIEF SUMMARY

Hello ! I am an enthusiastic third-year engineering student at Ajeenkya DY Patil School of Engineering, specializing in Artificial Intelligence and Data Science. Passionate about leveraging machine learning algorithms to tackle real-world challenges, with a focus on developing innovative solutions that drive impactful outcomes. Beyond academics, I am a dedicated poet, expressing my thoughts and emotions through the art of Shayari. As a language enthusiast, I am also actively engaged in learning German, expanding my cultural horizons and embracing new linguistic challenges. Originally from Mumbai, I have embraced Pune as my current academic home, where I am fully immersed in pursuing my educational and personal passions.

## KEY EXPERTISE

Python Machine Learning Pandas Numpy Scikit-Learn Plotly Matplotlib Leadership German  
Web Scrapping

## EDUCATION

**Ajeenkya D Y Patil School of Engineering - ADYPSOE**

2021 - 2025

B.E. - Artificial Intelligence & Data Science | CGPA: 7.71 / 10

**RKT College, Ulhasnagar**

2021

12<sup>th</sup> | Maharashtra State Board | Percentage: 90.33 / 100

**BabaSai Convent High School, Ulhasnagar**

2019

10<sup>th</sup> | Maharashtra State Board | Percentage: 86.60 / 100

## INTERNSHIPS

**DCDIUM Technologies** | IT / Computers - Software

18 Dec, 2023 - 31 Jan, 2024

Software Development Intern

**Key Skills:** Frontend Development Leadership Team Collaboration Communication Problem Solving

Software Development Intern, DCDIUM Tech Ltd. (Dec 2023 - Jan 2024)

1. Led a team in the frontend development of a new job portal using the ReactJS library, demonstrating effective leadership and coordination skills.
2. Developed user interface components and implemented features to enhance the functionality and user experience of the job portal.
3. Collaborated with backend developers and designers to integrate frontend components with backend services and ensure seamless functionality.
4. Maintained a positive team dynamic and fostered a spirit of collaboration and innovation throughout the internship.

**IIT Delhi** | Advertising / Events

19 Sep, 2023 - 19 Oct, 2023

Campus Ambassador

**Key Skills:** Digital Marketing Communication Networking Event Promotion

Campus Ambassador Intern (Online), IIT Delhi Rendezvous (Sep 2023 - Oct 2023)

1. Completed a 4-week fully online program as a Campus Ambassador for the IIT Delhi Rendezvous event, focusing on networking and management skills development.
2. Promoted the event through various online channels and platforms, effectively leveraging social media and other digital marketing strategies.
3. Cultivated relationships with students and faculty to increase awareness and participation in the event, contributing to its overall success.

## PROJECTS

### Job Portal Website

15 Jan, 2024 - 31 Jan, 2024

Team Size: 5

Key Skills:

HTML

CSS

ReactJS

Team Collaboration

Responsive Design

Testing and Debugging

Communication Skills

- 1.Utilizing HTML and CSS to design and structure the frontend layout of the website, ensuring a visually appealing and intuitive user interface.
- 2.Leveraging ReactJS to implement interactive features and functionalities, such as job search, filtering, and job application submission.
- 3.Collaborating closely with team members to plan and execute project milestones, ensuring timely delivery and adherence to project requirements.
- 4.Incorporating responsive design principles to optimize the website for various devices and screen sizes, enhancing accessibility and user experience.
- 6.Communicating effectively with team members to discuss project progress, address challenges, and implement feedback for continuous improvement.

## ACHIEVEMENTS

- o Poetry Competition Finalist at Ajeenkya DY Patil University
- o National Level Art and Drawing Winner at Rangotsav

## ASSESSMENTS / CERTIFICATIONS

### Machine Learning Certificate from Intershala

## SEMINARS / TRAININGS / WORKSHOPS

### Machine Learning Bootcamp Institute Name: Internshala

01 Sep, 2023 - 02 Nov, 2023

Key Skills:

Machine Learning

Practical Applications

Machine learning tools

Project Management

- 1.Conceptual Learning: Engaged in in-depth learning sessions covering essential concepts in machine learning, including supervised and unsupervised learning, classification, regression, clustering, and model evaluation.
- 2.Practical Application: Gained practical experience through hands-on projects and assignments, applying machine learning algorithms to real-world datasets and problem scenarios.
- 3.Certification: Successfully completed the training program and received a certificate of completion, validating proficiency in machine learning concepts and techniques.

## CO-CURRICULAR ACTIVITIES

- o Event Promotion and Networking
- o Technical Workshops, Meetups and Seminars

## PERSONAL INTERESTS / HOBBIES

- o Literature and Poetry(Shayaris)
- o Music and Art
- o Travel and Exploration

## WEB LINKS

- o Github - <https://github.com/techannu872>
- o Other - <https://www.kaggle.com/anmolgirase>

## PERSONAL DETAILS

Gender: Male

Marital Status: Single

Current Address: Lane 9 , Nimbalkar Nagar, Lohegaon, Pune, Maharashtra, India - 410047

Emails: anmol.girase@dypic.in , anmolgiraseofficial22@gmail.com

Date of Birth: 22 Jul, 2003

Known Languages: German, English, Marathi and Hindi

Permanent Address: New Sai Baba Colony, Yogeshnagar, Sec-26, Ulhasnagar-421004, Pune, Maharashtra, India - 421004

Phone Number: +91-9067665585
